

Business 2: Marketing, Sales & Distribution Strategies

Market Penetration, Off-Take Agreements, and Brand Value

CHAPTER 1: MARKET DEMAND FORECASTING

Aligning batch cycles with peak demand seasons like holidays and festivals.

CHAPTER 2: PACKAGING & VALUE ADDITION

Increasing profits through processed portions, egg grading, and branded packaging.

Sales Channel	Target Customer	Key Benefit
Direct-to-Consumer	Local households & eateries	Highest profit margins per unit
Wholesale Distributors	Regional egg & meat merchants	Bulk volume off-take
Institutional Supply	Hotels, supermarkets, processors	Stable, long-term supply contracts
